

Regional project of Winterberg

„kipepeo“- fair and social

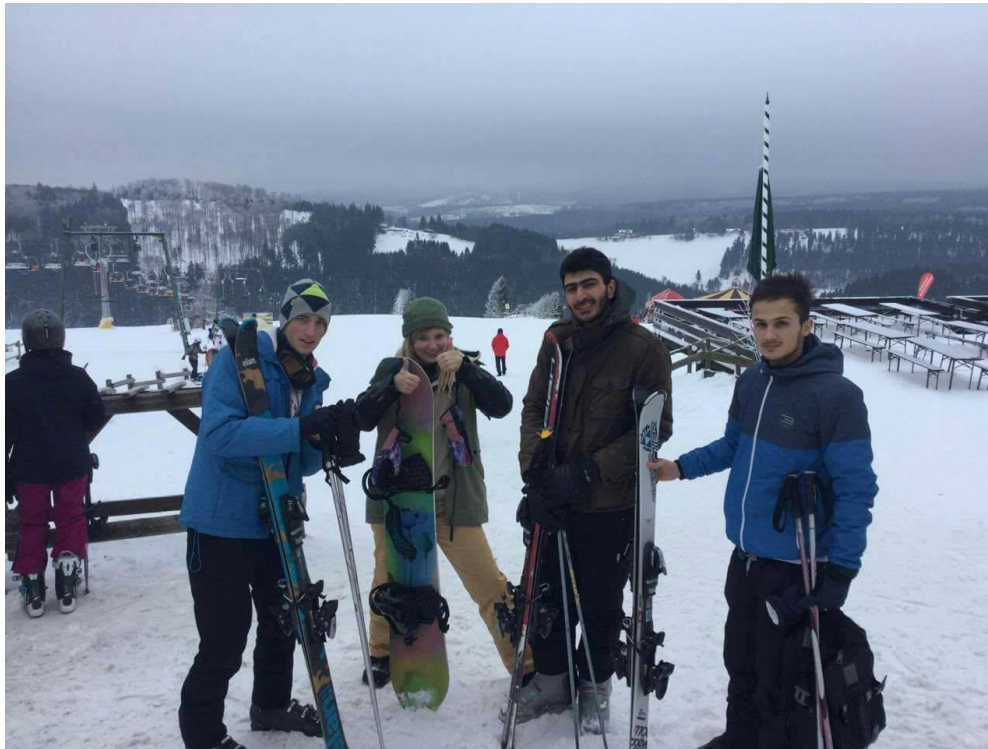

- Non-profit organisation
- Achieve the main part of integration in Winterberg
- Founded in 2015 by a group of individuals connected to the European refugee situation
- Three core areas:
 - The facilitation of social integration, esp. of foreign migrants
 - The promotion of fair trade and sustainable consumption behaviour
 - The dissemination of information regarding these and further development-related topics

Celebration of integration

Day of skiing

integration in regional wintersport
